Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called applicant's representative in July 2010 about the Board Decision dated 01/21/2010 in which the Board of Appeals reversed the examiner's rejection with respect to claims 13 and 16, but affirmed examiner's rejection with respect to claims 14-15, which depend from claim 13. Examiner requested that claim 16 be rolled into claim 12 in order to make the record clearer. Applicant's representative stated that she would contact the Applicant and get back in touch with Examiner. No response was received so examiner called Applicant's representative on 8/3/2010 and left a voicemail requesting a return phone call. No response has been received..
